

NABL Lab ID : C-1278

Keys for
**QUALITY
IMPROVEMENT**

The Accreditation services to Industries & Laboratories is currently given in the following disciplines

- ❖ Electro Technical Calibration
- ❖ Thermal Calibration
- ❖ Mechanical Calibration
- ❖ Dimension Calibration
- ❖ Mass Calibration
- ❖ Civil Equipment Calibration
- ❖ Medical Devices Calibration

NABL

1.0 Reference Documents

- a) ISO / IEC 17025: 2017
- b) Quality Manual Section No.: Q.S.P - 1.0 to 16.0
- c) NABL Guide 129: Specific criteria for Accreditation of Calibration Laboratories (Mechanical, Fluid Flow, Radiological, Electro-technical & Thermal Calibration)
- d) NABL 141: Guidelines for Estimation and Expression of Uncertainty in measurement

Laboratory Review External Document

Sl No.	External Documents	Website
1	IS/ISO/IEC/BIS Standard	www.bis.org.in
2	BS Standard	www.bsigroup.com
3	OIML Standard	www.oiml.org
4	ASTM Standard	www.astm.org
5	DKD Standard	www.dkd.eu
6	EAL Standard	www.euramet.org

Electro Technical Calibration

1. Laboratory Used High Accuracy Electrical Process Calibrator
2. Laboratory Provide Accurate Result. with Low cost & high Accuracy
3. Lab Calibrate & Purchase all type of ET Equipments.

Thermal Calibration

1. Laboratory Used High Accuracy Thermal primary & scndary Calibrator
2. Laboratory Provide Accurate Result. with Low cost & high Accuracy
3. Lab Calibrate & Purchase all type of Thermal Equipments.

Mechanical Calibration

1. Laboratory Used High Accuracy Mechanical primary & secondary Calibrator
2. Laboratory Provide Accurate Result. with Low cost & high Accuracy
3. Lab Calibrate & Purchase all type of Mechanical Equipments.

Dimension Calibration

- 1. Laboratory Used High Accuracy Dimension primary & secondary Calibrator
- 2. Laboratory Provide Accurate Result. with Low cost & high Accuracy
- 3. Lab Calibrate & Purchase all type of Dimension Equipments.

Mass Calibration

- 1. Laboratory Used High Accuracy Mass primary Calibrator
- 2. Laboratory Provide Accurate Result. with Low Cost & High Accuracy.
- 3. Lab Calibrate & Purchase all type of Mass Equipments.

Civil Equipment Calibration

- 1. Laboratory Used High Accuracy civil Equipment Calibrator
- 2. Laboratory Provide Accurate Result. with Low cost & high Accuracy
- 3. Lab Calibrate & Purchase all type of civil Equipments.

Medical Devices Calibration

- 1. Laboratory Used High Accuracy Medical Device Calibrator for Hospital
- 2. Laboratory Provide Accurate Result. with Low cost & high Accuracy
- 3. Lab Calibrate & Purchase all type of civil Equipments.
